JANUARY 2021

## LAPTOP LOAN PROGRAM

FUNDED BY THE USM FOUNDATION

The application is open for the Cook Books Laptop Loan program for the spring semester.

Loaner laptops will be available on both the Gulf Park and Hattiesburg campuses. Students can click [here](#) to request a laptop, and will be contacted, once a laptop is available, with pick-up instructions. Note: laptops must be picked up in person at the respective campus locations.

This program is made possible through the generosity of the USM Foundation as well as an allocation from the CARES funding.

University Libraries, in partnership with the Office of the Provost, announced the recipients of the 2020 Open Textbook Initiative. The Open Textbook Initiative is a program to support faculty in replacing traditional commercial textbooks with academically equivalent alternatives that are available at no cost to students. The completed open textbooks will be implemented in the classroom beginning in the Fall 2021 semester.

Visit the [Libraries' web site](#) for the list of faculty selected to develop open educational resources for the listed courses
