Work (Title of Manuscript):

Review of *From Educational Experiment to Standard Bearer: University 101 at the University of South Carolina*, edited by Daniel B. Friedman, Tracy L. Skipper and Catherine S. Greene in the July 2023 issue of *College and Research Libraries*

Agreement

The Association of College and Research Libraries (the "Publisher") and the Author(s) agree as follows.

1. **Publication and Promotion:** In consideration of the Publisher's agreement to publish the Work, Author hereby grants and assigns to Publisher the non-exclusive right to print, publish, reproduce, or distribute the Work throughout the world in all means of expression by any method now known or hereafter developed, including electronic format, and to market or sell the Work or any part of it as Publisher sees fit. Author further grants Publisher the right to use Author's name in association with the Work in published form and in advertising and promotional materials.

2. **Copyright:** Copyright of the Work remains in Author's name.

3. **Prior Publication and Attribution:** Author agrees not to publish the Work in print form prior to publication of the Work by the Publisher. Author agrees to cite, by author, title, and publisher, the original *College & Research Libraries* publication when publishing the Work elsewhere. Author may deposit a copy of the Work in a digital repository upon notification of acceptance by the Publisher with attribution of pending publication in *College & Research Libraries*.

4. **Author Representations:** The Author represents and warrants that the Work: (a) is the Author's original Work and that Author has full power to enter into this Agreement; (b) does not infringe the copyright or property of another; (c) contains no material which is obscene, libelous, defamatory or previously published, in whole or in part, except as follows: _____ Author shall indemnify and hold Publisher harmless against loss of expenses arising from breach of any such warranties.

5. **Licensing and Reuse:** Unless another option is selected below, reuse of the published Work will be governed by a **Creative Commons Attribution-NonCommercial License (CC BY-NC 4.0; <http://creativecommons.org/licenses/by-nc/4.0/>)**. This license lets others remix, tweak, and build upon the Work non-commercially; although new works must acknowledge the original *College and Research Libraries* publication and be non-commercial, they do not have to be licensed on the same terms.

Alternate License (specify): _____

No license will attach to the published Work. Anyone wishing to reuse the Work must contact the Author directly to negotiate permission.

Also, please certify:

Author has consulted with all co-authors (where applicable) regarding the license decision above, and all are in agreement.
