College of Liberal Arts: Michael Dearmey, Kim Herzinger; College of Science and Technology: Bob Bateman, Bob Coates, Charles Hoyle, Grayson Rayborn; Gulf Park: J. Pat Smith.

Business Meeting:

1.0 Call to order The Business meeting was called to order at 2:30 p.m.
2.0 Approval of Agenda The agenda was approved as distributed.
3.0 Approval of Minutes The May minutes were approved with one correction. Mary Lux should be listed as represented by proxy in the College of Science and Technology.
4.0 Executive Committee Reports

4.1 President’s Report Jesse Palmer
President Palmer welcomed newly elected Senators and thanked the Senate for the privilege of serving as President this year. The Faculty Senate is an important body that allows open dialogue on issues critical to the success of the university. As we close one year and begin another, the leadership may change, but our goals are still the same: to stay current with issues facing the university, to debate these issues, to make recommendations as a result of these discussions, and to ensure a strong voice for faculty in the decision-making process at all levels. The University Strategic Plan has been copied and mailed to all faculty. Faculty should become familiar with this document, because it will be the basis for decisions and planning over the next few years. Many of the goals in the document will affect faculty. For example:

Revision of the general education core
Development of a performance evaluation system for faculty based on a different definition of scholarship
Assessment of summer pay options for faculty
Realization of Carnegie II status
Expansion on the Gulf Coast
Improvement of the natural environment on campus
Implementation of abbreviated Responsibility Center Management (aRCM)
Others

Status of Faculty Senate resolutions passed during the 1998/99 term:
1) Child Care Resolution (6/98): Efforts are being made to obtain funding to improve child care for students, faculty, and staff. The Senate needs to continue to monitor the progress of campus child care.
2) Environmental Resolution (10/98): Strong language on environmental concerns has been included in the University Strategic Plan. A strong commitment has been made by the VP of Business and Finance to protect the aesthetic beauty of this campus and changes have been made in the physical plant structure to accomplish this. Efforts are in progress to make the campus more pedestrian friendly.
3) University Club (12/98): Language has been included in the University Strategic Plan that will help make this a reality. Location and financing still must be worked out.
4) Establish a process for Faculty Salary Appeals (1/99): There most likely will not be a permanent standing committee. However, an improved process and the communication of that process to faculty should still be a goal of the Senate.
5) Diversity (2/99): Was well received by students, faculty, and administrators. However, diversity issues need to be monitored by the Senate.
6) Plus/Minus Grading for Graduate Courses (2/99): Also endorsed by the Graduate Council. This will lead to a discussion on the use of plus and minus grading for undergraduate courses.
7) Recommending restoration of Full Faculty/Staff Tuition Benefits and the Portability of these benefits (4/99): These are most likely dead issues because of the expense involved.
8) Online Courses (4/99): Discussions on the use of online courses will need to continue in the Academic Council and in the Graduate Council. Since 40 courses will be offered online in the fall, discussion in the councils will most likely focus on policies and guidelines when new online courses are created.

Announcements: There will be a backyard cookout at the President's home on June 25th honoring U.S. Congressman Ronnie Shows. On June 28th, there will be an all day reunion of the Commission on the Future of the University. The Senate next meets in September.

4.2 President-Elect's Report  Art Kaul
President-Elect Art Kaul reported on the meeting of the State Faculty Senates Association. There was not a quorum at the meeting. The full tuition benefit and the portability of tuition benefits were discussed. President-Elect Kaul asked that representatives discuss this with their Senates. There was interest in these issues and they will be pursued at future meetings of the state association.

IHL: At the last board meeting the IHL agreed to petition Judge Biggers to consider revised admissions standards that are consonant with admissions standards on the Hattiesburg campus. Judge Biggers will be asked to issue a ruling by September so that the Legislature can deal with fiscal issues. There is not likely to be a freshman class on the Gulf Coast campus in August. There was Senate discussion as to why the original admissions standards were different from USM Hattiesburg. There was anticipation that some applicants would have to be rejected because of the enrollment cap, and there needed to be a way to select the applicants. An IHL Board committee has agreed to seek an 18% operating budget increase for the universities for next year. Next month Dr. Layzell will present some additional special project requests, some dealing with Ayers. There was discussion in the Finance Committee of presidential salaries. In recent searches, they have been getting applications from current vice-presidents and provosts who are making more in their current positions than we are offering. This issue will come up again in July. Ricki Garrett had questions about the supplements that some presidents get from their foundations. There is concern as to who the presidents are working for.

4.3 Secretary's Report  Sherry Laughlin  No report
4.4 Secretary-Elect's Report  Shellie Nielsen
Proxies were announced and an attendance roster was passed. Names were requested of individuals who will need to receive paper copies of the minutes next year.

5.0 Committee Reports
5.1 Academic and Governance  Karen Thrash  No report
5.2 Administration and Faculty Evaluations  Bill Powell  No report
5.3 Athletic Liaison  Trellis Green  The new Athletic Director wants to meet with us and we will get him on the schedule in the fall.
5.4 Awards  Linda Dysart Goff  The Committee has selected a winner of the Harrison Award: Dr. William J. Lyddon, Department of Psychology. Each year one of the universities in the state selects an outstanding faculty member to receive this award. There is now information about the award in the University Archives in McCain Library.
5.5 Benefits and Work Environment  Mike Forster  No report
5.6 Constitution and Bylaws  Sherry Laughlin  No report
5.7 Elections  Mary Dayne Gregg  No report
5.8 Environment (ad hoc)  Dick Conville  No report
5.9 Faculty Development  Norma Cuellar  No report
5.10 Technology  Dan Surry  No report
5.11 University Club  Kim Herzinger  No report  
5.12 Transportation Liaison  Bill Scarborough  No report  
6.0 Old Business  None  
7.0 New Business  
7.1 Election of Officers  
President-Elect Art Kaul indicated that Senate officer nominees were  
President-Elect: Sherry Laughlin and Mary Lux  
Secretary Elect: Mike Forster and Karolyn Thompson  
President-Elect Kaul asked if there were any nominations from the floor. Dean Dunn was nominated for  
President-Elect by Kimberley Davis, seconded by Karolyn Thompson. Dean Dunn agreed to be placed on  
the ballot. Mike Forster was elected Secretary-Elect in the first round of balloting. In a runoff between  
Dean Dunn and Sherry Laughlin, Laughlin was elected President-Elect.  
7.2 Passing of the Gavel  
The gavel was passed from Jesse Palmer to Art Kaul, who thanked President Palmer for his excellent  
service to the Faculty Senate during the past year.  
8.0 Announcements  
President Kaul discussed the task force on the Faculty Handbook which will be formed soon, asked Senate  
members to express their preferences in committee appointments, and asked for volunteers to serve as the  
Senate's representative to the American Association of University Professors.  
9.0 Adjournment  The meeting was adjourned at 3:45 p.m.  

Respectfully submitted: Sherry Laughlin, Faculty Senate Secretary
