SOUTHERN
MISSISSIPPI

COLLEGE OF
ARTS AND LETTERS

The Southern Quarterly is devoted to the interdisciplinary study of Southern arts and culture. Now available through Project MUSE, *SoQ* defines "the arts" broadly, including literature, painting, sculpture, music, dance, theatre, film, and popular culture. *SoQ* also publishes studies of Southern culture informed by such disciplines as history, folklore, anthropology, political science, and social geography. *SoQ* defines "The South" as any place south of the Mason Dixon Line, including the Caribbean, and extending to the larger Global South.
